Bourns® Switch Power™ Product Line Discontinues Several DC/DC Converters

In an effort to focus attention on core competencies, Bourns recently made a strategic decision to cease marketing DC/DC Converters and to discontinue a large portion of its DC/DC Converter products. The discontinued models are listed below:

Affected Device List

M10A Series	MXT Series	SL6A Series
M15A Series	SC10A-3SDAC	SLN10A Series
MD5A Series	SC5A Series	ST10A Series
MS5A Series	SD10A Series	SX Series
MX Series	SL10A Series	SXT Series

Customers must notify Bourns in writing within 30 days of receipt of this notification if they consider the discontinued product to be “sole source”. Bourns and the customer may negotiate an appropriate End-of-Life purchase.

Please be assured that Bourns will continue to support DC/DC Converter part numbers not listed above.

LAST BUY DATE: September 14, 2007

LAST SHIP DATE: Estimated for December 14, 2007 unless otherwise mutually agreed upon in writing.
